**ROAD TO RENEWAL  
INFORMATION FOR OUR  
PARISH**

A Parish Model Task Force and a Diocesan Renewal Task Force (DRTF) were activated more than a year ago with the effort to look at best practices regionally and nationally to learn how other dioceses that are facing similar challenges of diminished financial resources and reduced church and school attendance, have successfully promoted the mission of the Catholic Church in their regions.

The DRTF is a collaboration of clergy and laity who studied, gathered input, and documented recommendations for the Diocese.

After an extensive process of collaboration with clergy, parish leaders, and educators, it was determined that renewal could be accomplished by bringing parishes together into closer collaboration for a larger good known as "Families of Parishes." This model of grouping parishes together to share resources is forming the foundation for similar efforts across the nation.
