“Married love differs from any other love in the world. By its nature, the love of husband and wife is so complete, so ordered to a lifetime of communion with God and each other, that it is open to creating a new human being they will love and care for together. ... That power to create a new life with God is at the heart of what spouses share with each other.”

Family #6 News The Gospel of Mark Part One

Learn about the Gospels of Cycle B that we will hear about in 2023-2024

Thought to be the earliest of the four Gospels, the Gospel of Mark is a fast moving, vivid account of the ministry, suffering, and death of Jesus. Enter into a rich encounter with this preacher, wonder-worker, and messiah, whose very life delivered an urgent message about repentance, transformation, and the meaning of suffering in a life poured out for others. Part One covers Mark 1:1-9:32, providing an in-depth study of Jesus’ ministry of healing and preaching.

CONVERSION
What makes one’s life successful? Money? Power? Honor? Pleasure?

- Most philosophies of the well-lived life are based on having something.
- But the Christian perspective is that it is better to be something. The goal of the Christian life is to grow in loving relationship to Christ, becoming more like him through the immersion of our entire selves into his Church, Christ’s Body.
- But our transformation in Christ will not occur until we recognize him as our ultimate concern.
- In Conversion: Following the Call of Christ, explore the stories of six great biblical figures with Bishop Barron, using their examples to grow closer to Christ.
