Then Jesus took the loaves, and when he had given thanks, he distributed them to those who were seated: so also the fish, as much as they wanted.

Word of Life-July 25: "Married love differs from any other love in the world. By its nature, the love of husband and wife is so complete, so ordered to a lifetime of communion with God and each other, that it is open to creating a new human being they will love and care for together. ... That power to create a new life with God is at the heart of what spouses share with each other."

St. Francis High School is pleased to announce the names of the students from St. Joseph's Church that have achieved. They have achieved First Honors—a Grade Point Average between 95-100+ and all grades passing. The following students have all achieved First Honors:

- Justin W. Jusiak, Sophomore
- Joshua R. Jusiak, Senior

Congratulations to these fine scholars.
