ROAD TO RENEWAL INFORMATION FOR OUR PARISH

As of May 4, 2022, 130 Dioceses in the United States have been contacted by our Road to Renewal Team to ask how they are responding to similar concerns in their own Dioceses. Of the 130 Dioceses contacted we spoke with 96.

Of the 96:

66 Dioceses have converted to a collaborative model of ministry (Family of Parishes). - 68.8%

29 Dioceses have no collaborative model in place as of yet. - 30.2%

Of the Dioceses that have a collaborative model in place:

29 have over 10 years of experience with this model. - 44%

11 have 5-10 years of experience with this model. - 17%

6 are in their first year of working with this model. - 9%

The above data clearly indicates that the Diocese of Buffalo is not alone when it comes to responding to the changing times by adopting a collaborative model solution. We are in good company and have taken on the role of designing what will become a Collaborative Model Consortium of US Dioceses.

As a body is one though it has many parts, and all the parts of the body, though many, are one body, so also Christ. (1 Cor. 12:12)
