Family of Parishes Family and Parish Consultative Structures and Roles

Family Pastoral Council

The Family Pastoral Council is the consultative governing body to guide the work of the Family of Parishes. Each parish within the Family is required to have representation on the Family Council. It is recommended that the representative be from the individual parish council, but this is not required. The work of the family council is meant to guide the decision making of the Pastor of the Family of Parishes.

Family Leadership Team

Creating Family Leadership Teams embodies our collaborative model spirit as it is a form of shared leadership - the practice of expanding the number of people involved in making important decisions related to the Family of Parishes, its overarching mission, operation, and ability to attract new followership.

Family Leadership Teams assist and complement the pastor by adding their unique skillsets to help monitor current realities, create plans for betterment, and evaluate results. They act like executive committees—i.e., they are made up of individuals delegated to make decisions or execute specific responsibilities in the interests of the FoPs and can be made up of parish member trustees, lay leaders, lay ministers, priests, deacons but should not be dominated by clergy. It is recommended that the FLT meets at least once a month.

Family Finance Council

This is a consultative body that provides counsel to the pastor on the finances of the Family. It is an expert group of people specifically selected from each of the parishes in the Family who are designated to be responsible for prudent and disciplined management of all Family finances.

There will be one overarching Finance Council for the Family of Parishes with a minimum of one representative from each parish. It is recommended, but not required, that this representative be from each individual parish's finance council. While each parish will still be responsible for its own financial assets and liabilities, the Family discerns what is best for the whole Family of Parishes and takes care of its members. The finance council would be overseeing and monitoring the financial results of parishes in the Family.

Family Finances

Each parish maintains their own corporate and canonical structure, meaning that each parish maintains their own finances. In the cooperative nature of the Family of Parishes, there will be shared costs and expenses. There will be significant common ministries, outreach and education that will necessitate the sharing of resources. The shared costs, expenses and at times income is what is being referred to as the Family Finances. The Pastor of the Family of Parishes has the responsibility to ensure that all parishes in each Family share in these resources and costs on an equitable basis. This will require internal transparency in finances and financial reporting among parishes within the Family.

Other Consultative Groups

In addition to the above described groups, each Family is free to establish whatever consultative bodies are needed to ensure the success of the Family of Parishes. Each parish is welcome to continue utilizing a pastoral council and any other consultative group they deem appropriate.

CHURCH NEWS

Appeal 2023 is in its final month! If you haven't yet donated, now is the time. No gift to Appeal 2023 is too small because every dollar makes a difference. In fact, each dollar raised during the annual Appeal leverages an additional \$5 to \$6 of government support and contracts – meaning your gift goes five to six times as far. Truly every dollar counts, because more funding means more services for those in need in our communities. Give HOPE today at ccwny.org/donation or text GIVEHOPE23 to 44321.

It is very simple to join Flocknote. (Even I could do it). On our church website at the bottom of each page is a form to fill out with your name and contact information. It is very small and at the bottom of each page so scroll down to the bottom to see it. Then press the join (enter) button and you are automatically joined to St. Joseph's Church on Flocknote.

There will be a Blood Drive on Friday July 7th from 12:30 pm to 5 pm here in the Parish Hall!!

Dear Parishioners of St. Joseph's in Holland, As you are aware the Diocese of Buffalo is actively working on our Road to Renewal plans. Your parish has been directly affected with the transfer of your previous Administrator, Fr. Benjamin Mariasosai. At this time your family of parishes is not yet activated, and a new pastor is soon to be announced for your family. With the priest shortage affecting our ability to cover all masses in your parish as well as throughout the Diocese, we have to institute a temporary mass schedule change for St. Joseph's in Holland until your family determines their new mass schedule.

Beginning the weekend of July 1-2, the temporary mass schedule until further notice for St. Joseph's in Holland will be Sunday morning at 8:30 am. This will be the only mass at St. Joseph's considering the size of your church and the attendance at your masses.

I realize the importance of supporting your parish community and that the parish is a place to connect as the Body of Christ. I pray that you can continue to support and pray together with this change. If for some reason you need to attend mass at another parish, please use your envelope. No matter where you attend mass, the envelopes are given back to St. Joseph's.

If you are unable to attend St. Joseph's new mass time, I am including other local parish mass times for your convenience.

St. Jude, Sardinia - 5:00 pm Saturday
Immaculate Conception, East Aurora -4:30 pm Saturday, 8:00, 9:30 and 11:15 am Sunday
The New St. Mary's -9:00 am (Arcade), 11:00 am (East Arcade)

Please know that you are in my prayers during this time of transition, and I ask that all of us pray for vocations to our Diocese and for the Road to Renewal. God Bless and Keep Smiling.
