ROAD TO RENEWAL INFORMATION FOR OUR PARISH

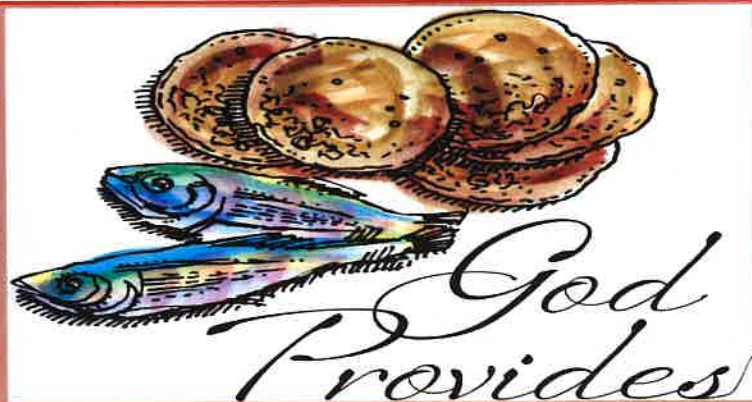

The Road to Renewal program is underway to renew, revitalize and strengthen our parishes. This program establishes a “Family of Parishes”, a grouping of three to six parishes, who will work together to share ideas, fellowship, and resources. Each individual parish will retain its identity, programs, staff, and finances. There are no plans to close any parishes; we are just looking for ways to maximize the time, talent, and treasure of our parish communities.

The sobering reality of the future availability of priests is the driving force behind these initiatives. In 2001 there were 179 active priests in our diocese. Diocesan statistical projections indicate that by 2030 we will have 100 priests to serve the 161 parishes of our diocese. This program will allow the priests and the laity to explore different ways that we can come together within our Family of Parishes to support and sustain our parishes and priests.

Each parish has two lay representatives who will disseminate information as it becomes available, and who will be happy to answer questions and to listen to any suggestions or concerns. Our representatives are Nikera Kolacki and Becky Bartels. We will continue to share information as it becomes available. Please feel free to reach out to either of us or Father Benjamin at any time.
