The Diocese of Buffalo is changing the structure of one of its primary advisory bodies to Bishop Michael W. Fisher in order to streamline how the diocese supports its ministry in Western New York. As demonstrated by the diocese’s Road to Renewal effort that groups parishes into “Families of Parishes,” the diocese is changing its vicariate structure to complement the Road to Renewal. The new vicariate structure will take effect Feb. 1.

In the former structure, 12 vicariates supported the Buffalo Diocese’s 161 parishes throughout the eight counties. Under the new structure, seven geographic vicariates have been established along with another vicariate that will support campus ministry.

With the establishment of the new vicariate structure, new vicars forane, who head the vicariates, have been appointed and will work collaboratively with the 36 Families of Parishes. Our Family is in the Genesee/Wyoming Vicariate.
